Delivery Instructions:

Home Heating Agreement

- Automatic Delivery** Browns Fuels shall fill customer's propane/heating oil tank on a regular schedule basis, without prior request by customer. In order for Browns Fuels to plan deliveries accordingly for Automatic Delivery, customer shall notify Brown Fuels immediately of any changes in customer's heating equipment, storage tank capacity, anticipated propane/heating oil requirements, or of an abnormally low propane/heating oil reserve in customer's tank.
- Will Call Delivery** Browns Fuels shall fill Customer's propane/heating oil tank upon Customer's request, provided that such request is made two (2) working days in advance of the desired delivery date. In the event that Customer requires delivery in less than two (2) working days, or outside of regular working hours, including weekends and statutory holidays or requires less than the specified minimum volume, a delivery charge will be paid by customer. Such delivery charge and minimum volume will be subject to change from time to time without notice. The delivery charge and minimum volume as of the date of this contract are \$150.00 and 200/450 litres for propane and heating oil, respectively. Customer must select one of the above PRIOR to signing this agreement. A mark must be placed in the appropriate box.
- I hereby acknowledge that I have read and understand the Brown's Fuels Heating Oil Agreement and by signing below I am agreeing to the terms and conditions of the Browns's Fuels Heating Oil agreement.
